

PUBLIC NOTICE

The City of Colfax is providing public notice that it will hold a public hearing on August 13, 2014 at 7:00 PM for the adoption of an Underground Utility District along Grass Valley Street between the Union Pacific Railroad tracks and the alley west of Main Street. The purpose of the District is to relocate the overhead electrical power and telecommunication mains and services into underground facilities. In addition, all poles will be removed and transformers relocated to the ground. A description of the project is available for review at the City of Colfax City Hall located at 33 S.Main Street, Colfax, California, 95713, (530) 346-2313.
